Re: Charge Back on PO # Y13376

On the above purchase order shipped on invoice # 94969 Philip Morris took a charge back of $148.96 due to an overage on the shipment. The original order was for 3,120 pieces. As you are aware, Delta Apparel ships in 6 dozen case packs. In order to meet your needs we had to round your order up to 3,168 pieces. The overage on the shipment is due to our rounding up to case packs. Please explain this to accounts payable and see if you can help us get this matter straightened out. I appreciate your assistance in this matter.

As always, we appreciate your business, and if I may be of further assistance, please advise.
